  1. Select the Role for this user. Role will affect the user to access account book.
  2. Select User who can mange this account book.
  3. Click add to add the user.

A screenshot of the 'Add User' form within the 'Account Book' interface. The form has a header 'Add User' and a 'Return' button at the bottom left. It contains several fields: 'Company' (ATDIOS SDN BHD), 'Fiscal Date', 'Reg No' (81741424-V), and 'Actual Date'. Below these are two dropdown menus for 'Role' and 'Add User', both with 'Choose...' as the selected option. A green '+ Add' button is to the right of the 'Add User' dropdown. Below these fields is a list of users, currently showing 'jason - Business Admin'. Numbered annotations are present: a red arrow with '1' points to the 'Reg No' field; a blue arrow with '2' points to the 'jason' user entry; and a yellow arrow with '3' points to the '+ Add' button.
